If you prefer to complete this form, you must complete it on a computer. The form is dynamic – it changes depending on how you answer questions. You can save the form but can't print it until you complete all mandatory fields – they are marked with an asterisk (*).

If you want to form a limited partnership in Ontario, you must file a declaration under the *Limited Partnerships Act* (LPA). If a limited partnership that was formed outside Ontario wishes to carry on business in Ontario, it must also file a declaration under the LPA.

Limited partnerships are not incorporated and are subject to the LPA and other applicable laws. They typically consist of at least one general partner who has liability for all debts and obligations of the firm, and one or more limited partners who have limited liability up to the amount that they contribute or agree to contribute to the limited partnership.

This form may be completed to form an Ontario Limited Partnership or register an Extra-Provincial Limited Partnership.

Before you file your declaration, you can search the ministry's records to see if the name of your firm is already being used by another partnership and where that firm is located. For more information about searching the public record or filing a declaration, please see the [applicable Notice](#).
