We will need the company key to verify that you are authorized to file a revival for this corporation. If the applicant for revival is not a director or officer of the corporation, please call ServiceOntario at 416-314-8880 or toll-free at 1-800-361-3223.

The corporation name entered must be the same as it appeared on the original articles of incorporation document or if there has been a name change, the name as it appears on the most recent articles changing the name.

You must indicate the official email address that is already on record with the ministry. If there is no official email address on record with the ministry, please provide an official email address for the corporation. The corporation's official email address will be used to communicate with the corporation. The documents related to this application will be sent to this official email address as well as to the email address of the contact person indicated in Section 2 of this form.

If your official email address has changed, you must notify the ministry by filing an [Initial Return/Notice of Change/Annual Return by an Ontario Corporation - Form Number 5284](#) form under the *Corporations Information Act* (CIA). You may include the CIA filing together with this form when you mail your application.

Contact Information

Please enter the full name, telephone number and email address of the contact person. The ministry will contact this person for any questions related to this application. Documents related to this application will be sent to the contact person's email address and to the corporation's official email address.

Corporation Name

You will be presented with 2 options. Please indicate whether you would like to revive the corporation under the name as it was at dissolution or revive under a number name.

Please note that you need to make sure that you provide all the information needed such as an Ontario Nuans report, if required.

Revive under the name at dissolution

If you are reviving under the name you had at dissolution, and the corporation was cancelled less than 10 years ago, you don't need a Nuans report. Do not check the checkbox for Nuans Report.

If you want to change the name of the corporation upon revival, you must file Articles of Amendment after the Certificate of Revival is issued. An Ontario Nuans name search report may be required.

If you are reviving under the name you had at dissolution, and the corporation was cancelled more than 10 years ago, you will need an Ontario Nuans name search report.

Revive under a number name

If the corporation is not permitted under the Act and the regulations to revive under the name it had at dissolution, the corporation must revive under a number name. The number name will consist of your Ontario Corporation Number followed by "ONTARIO NOT-FOR-PROFIT".

Ontario Nuans Report. You must obtain it from a private name search company. The ministry does not provide this search. Select the checkbox for Nuans Report and enter the proposed corporation name, Nuans reference number and date.

The Nuans report cannot be dated more than 90 days prior to the filing of the articles. For example, articles received by the ministry on November 28th could be supported by a Nuans name search report dated as early as August 30th, but not dated earlier. You may wish to allow for additional time because if the Nuans report has expired before the articles are endorsed, you will be required to obtain a valid Nuans report to complete the filing.

Required Statements

You must confirm that the following have been complied with:

- Any outstanding notices and returns required to be filed by the corporation under the *Corporations Information Act* will be filed immediately upon revival.
- The consent of any required Minister and the Public Guardian and Trustee (if applicable) to the requested revival has been obtained.

- All other defaults of the corporation to the date of dissolution have been remedied and it is not more than 20 years after the date of dissolution.

Requested Date for Revival

The requested date for revival is the effective date that your corporation is revived under the laws of the NFPCA and the regulations. You must select a preferred date; however, the earliest effective date will be the date the application acceptable for filing is received by the ministry. You may choose a future date up to 30 calendar days later than the current date, as long as the Nuans Report date, if required, is valid. You cannot choose a past date. The Nuans report cannot be dated more than 90 days prior to the submission of the articles. For example, articles submitted on November 28 could be supported by a Nuans name search report dated as early as August 30, but not dated earlier. Allow enough time for the application to be received through the mail.
