Please note that a new business registration is required to change your business name. There is a fee for this new filing.

For detailed information about this application, please see the [applicable Notice](#) first.

## Primary Activity

Your primary activity is the main activity being carried out under the business name. This may be different from the primary activity of your partnership. If you are changing your primary activity, indicate in this form your new primary activity code.

NAICS is the North American Industry Classification System. The NAICS activity code is a 2 to 6 digit number that corresponds to a business's primary activity. You must select the code that best describes the main activity of your business. For example, a code for a hair salon could be "812116 – unisex hair stylist shops". The NAICS code is required under the *Business Names Act* and *Limited Partnerships Act* and appears on the public record for filings made under those Acts.
